Hello everyone and welcome back to term 2! What an exciting term ahead with so many wonderful learning opportunities ahead for our students. Staff have worked hard in preparing the term’s curriculum and I’m sure all the children will enjoy what’s on offer.

NO SCHOOL Next Tuesday
A reminder that we have a curriculum day next Tuesday 19th April. This day students are not required at school. Staff will be here working hard on developing and enhancing our Mathematics program. Curriculum days are always a great opportunity to allow staff to come together and work in a sustained manner.

ANZAC Day
A reminder that Monday 25th April marks our ANZAC day commemoration. This is a significant event on the Australian calendar and we take time to respect and value the wonderful contribution made by our diggers. If you haven’t had the chance to participate in a dawn service, I encourage you and your family to become involved in this moving and important tribute. Lest we forget! Students will be spending time next week to remember and acknowledge the sacrifice and history of the ANZAC.

Monday 25th April is a public holiday and hence school will be closed.

The Project
As a part of ANZAC commemorations we will have a selection of students appearing on the ANZAC day edition of The Project. Keep an eye out for the segment with Lehmo. They say never work with animals or children on television....

Team newsletters next week
Next week you will receive a newsletter from each of the learning teams. This will outline the term ahead and the related teaching foci and team happenings.

Every day counts – school attendance
We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day. Missing school can have a major impact on a child’s future – a student missing one day a fortnight will miss four full weeks by the end of the year. By Year 10 they’ll have missed more than a year of school. There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes. Coming to school every day is vital, but if for any reason your child must miss school, there are things we can do together to ensure they don’t fall behind:

- Speak with your classroom teacher and find out what work your child needs to do to keep up.
- For any extended break from school, develop an absence learning plan with your teacher and ensure your child completes the plan. Remember, every day counts. If your child must miss school, speak with your classroom teacher as early as possible. If you’re having attendance issues with your child, please let your classroom teacher know so we can work together to get your child to school every day.

School Hours
Parents need to be aware that the school grounds are unsupervised prior to 8.45am. Parents are asked not to leave their children unattended prior to this time. Students who arrive at school prior will be directed to before school care and similarly students still at school after 3.45pm will be sent to after school care.
Leaving School
A reminder that students arriving late must be signed into the school via the office and any students leaving early are also to be signed out of the school. Parents are then required to take early leave passes to classrooms to collect their children. Parents and guardians are the ONLY people to sign students in and out of the school. Students are not allowed to do this nor is this legally acceptable.

School Fees/Family Payments
Just a reminder that termly and monthly fees are due now. Reminders will be sent home next week along with statements. Please ensure your account is up-to-date as we have a lot of exciting activities planned ahead. Unpaid accounts will unfortunately put a halt on students attending activities. Thank you to all families that have paid accounts in a timely manner.

School photos
This week we enjoyed the school photo process. Parents have until the **18 April** to place any orders online WITHOUT incurring the $14.95 late fee by going to **www.schoolpix.com.au**. Any future orders placed from this date onwards will incur the late fee as mentioned above. If you have any questions about this process please contact the school office.

Free breakfast Program
In support of our message of healthy bodies, healthy minds, healthy lives we are offering a free breakfast program for any interested students. This program will be offered each Friday morning from 8.30am. Students will be provided with healthy breakfast options and some time to socialise with friends. In order for this program to be adequately resourced we are looking for parent volunteers to help staff the program. If you are interested in either role please indicate on the return slip that is coming home with each child today.

Staff Carpark
Parents are asked not to park in the staff carpark. This is still an issue that must be avoided.
We are also having some problems with congestion in and around the school. Unfortunately we don’t have great parking facilities however, this can be improved through everyone’s awareness, consideration and patience. I have been informed that the council will be active in issuing infringement notices in coming weeks. On a similar topic, thank-you to everyone for reverse parking in the visitors carpark.

Winter Sport
Upper school students have been training and practising for the upcoming winter sport fixture of our inter school sports program. The sports that are played this term are: football, soccer, netball and softball. Please see the term 2 fixture attached to this newsletter. Hopefully you are able to spare a few minutes to come along and support our sports stars during the term. All sport games are played on Fridays 9.30-11am.

No Hats required
In term 2 students are not mandated to wear hats. However, depending on the weather, students can still benefit from wearing their hats throughout the term.

Preps for 2017
Although it’s early in the school year we have already taken enrolments for 2017. If any parents have siblings whom are enrolling for next year, please forward these to the office asap. As a part of our transition program, in term 2 we will be inviting our local kinder children to enjoy a ‘WHPS School Experience’. There are also many play dates scheduled for terms 2 and 3. In addition, we will be conducting our 2017 Prep Information evening on April 20th and offering a ‘Transition to School’ information session facilitated by staff from well known early childhood expert Kathy Walker’s office. Sally Ward will be presenting at 7pm on May 5th in the Jan Bobin Learning Centre (Prep building) at 7pm.

Chess club
Chess club has returned to WHPS for term 2! Check out all the details in the library newsletter.
Canteen Manager
As part of the annual procedures for School Council, each year we review the role of canteen manager. Over the break the school underwent a selection process for this position and I congratulate Kate Fisher on her appointment. Kate brings a breadth of experiences to the role and will be a great asset to the school canteen. I would also like to acknowledge the contribution made by Gracie Asta over the previous 12 months. Thank-you Gracie, we appreciate your efforts and hard work.

Headlice
Please be aware that we have had a few recent cases of headlice at the school. I urge you to regularly check your child’s hair and if noticed, please treat accordingly prior to sending your child back to school. The only way to reduce the impact of headlice across the school is for all parents be vigilant in checking and appropriately treating each case. Thanks for your support to manage this issue in our school.

The Life Education Program is coming to Watsonia Heights Primary School from the 2nd-4th May. The program aims to empower our children and young people to make safer and healthier choices through education. All students across the school will be participating in activities from Prep-Grade 5/6. Please find more information regarding the units undertaken in each year level below.

Prep Unit: Harold’s Surprise
Harold’s friend Possum, holds a party in the park and invites the class and Harold to come along. The students use our realistic props to help Harold pack Healthy picnic food. On their way to the party respond to new situations and dilemmas around health and safety, presented on specially produced videos.
Key points covered include:
• ways to seek help from trusted adults
• the benefits of physical activity
• how to spot safe and unsafe behaviours and environments
• choosing healthy food options.

Grade 1/2 Unit: Harold’s Mystery Tour
In this session, the class take a mystery tour with Harold. An animated video magically introduces them to internal body parts such as the heart and lungs. They explore safety at the park and on the beach, and talk about how people feel in different situations.
Key points covered include:
• identifying the function of vital organs (heart, lungs and brain)
• recognising that a balanced diet and exercise promotes good health
• exploring strategies to manage feelings and emotions
• safety in public places
• recognizing the safe use and storage of medicines

Grade3/4 Unit: All Systems Go
Inside a futuristic machine ‘The Venture’, the Captain and his crew take the class on a tour of the human body. Traveling through the blood, the class explore and discover how magnificent the human body really is. They learn the functions of various body parts and the actions required to keep these systems working well.
Key points covered include:
• factors that influence the function of body systems such as exercise and drugs
• exploring ways to manage peer pressure
• the effects of second hand smoke
• the function of vital organs (heart, lungs, brain and kidneys)
• healthy food choices
Grade 5/6 Unit: On The Case
Join Mac McHardy, a time travelling detective, and his sidekick ‘Conan’ as they gather evidence to persuade McHardy’s great great granddaughter not to take up smoking. Set in a fantasy world of futuristic steam powered machines, students travel through time, collaborate and explore:

- what’s in a cigarette
- effects of smoking
- history and laws
- myths and facts
- influences and pressures
- strategies to reduce harm

If you would like to find out more information about the Life Ed Program please don’t hesitate to ask your classroom teacher or use the website below.
http://www.lifeeducation.org.au/parents

In addition to this, as a part of the program we are offering you the opportunity to visit the Life Education mobile classroom while it is here at our school.

There will be a parent session held at 9:15am-9:45am on Monday 2nd May immediately following the whole school assembly. This parent session will cover topics such as:

- What your child will learn in the Life Education Program
- A sneak peek inside the Life Education mobile classroom
- What drug education is appropriate for primary school students
- Why is it important to have health and drug education

A notice will be coming home shortly with an expression of interest slip for the Life education parent session so please keep your eye out!

PATHS - Promoting Alternative Thinking Strategies
SELF CONTROL “DOING TURTLE”
An important component of learning and showing mature behaviour involves the ability to control one’s impulses. In Foundation (Prep) -Year 1, students are working on the Readiness and Self Control” Unit. Within this program, students will have a major focus on developing self control. The “Turtle Technique” will be used in order to accomplish the following goals:

- Introduce a specific method for calming down
- Increase self control
- Decrease impulsivity
- Break the cycle of disruptive behaviour
- Encourage a reflective (stop and think) orientation
- Demonstrate to the children that they can learn to control their own behaviour

This technique is introduced to the students though a story about a little turtle who had problems at school and learnt how to do turtle to solve his own problems. Students will learn the appropriate use of the turtle technique by discussing that it is good to do turtle when we need to calm down, feel more in control, not get into trouble or show people that we are feeling upset. The development of self control is important at all ages but is especially difficult for young children.

Having self control is especially challenging when we are feeling strong emotions. Children often express strong feelings through physical acts such as kicking, throwing things, screaming, running around and so on. “Doing Turtle” gives students a mechanism to stop and think before acting – self control. The reinforcement of this strategy to develop self control at home will assist students to act appropriately at school and at home. The development of self control requires repetitive experiences of a positive and realistic nature to be successful. Ask your student what “Doing Turtle” is?

Enjoy the weekend ahead and I look forward to seeing you in and around the school.

Michael
WHPS Term 2 2016 Calendar Dates

April 2016
Tuesday 19th – Curriculum Day - NO SCHOOL
Wednesday 20th – Prep Information evening @ 7pm
Friday 22nd – 3-6 Inter-School Sports - Home v Watsonia
Monday 25th – ANZAC Day, NO SCHOOL
Friday 29th – 3-6 Inter-School Sports - Home v St Marys

Canteen Helpers
Desperately Needed!!!

Please nominate yourself by placing your name on our roster at the front office if you are able to help – Wednesdays & Fridays.

Student Banking
Every Tuesday.
To open a student bank acct. please collect a pack from the office.

Uniform Shop
Open Tuesday MORNING 8.30-9.00am and Thursday AFTERNOON 3–3.45pm
Order forms available from the office stand and the schools website.
To place an order, please complete order form and submit to the office.
Orders are completed every Tuesday for collection on Tuesday afternoons at the office. You may also email your order request to Leah or Juanita at watsonia.heights.ps@edumail.vic.gov.au
Junior School Council 2016

Meet some of our lovely Junior School Council representatives..

Dakota

Nickname: Dakota Bear
Hobbies: Cricket and footy
Favourite movie: Zootopia

When I grow up I want to be.. A farmer.
Something I want to raise money for with JSC: RSPCA

If I could change one thing in the world that would help other people it would be.. No more cancer.

Charlie

Nickname: Prince Charles
Hobbies: Sport
Favourite movie: Camp Fred 3

When I grow up I want to be.. A footy player.
Something I want to raise money for with JSC: People who don’t have much money.

If I could change one thing in the world that would help other people it would be.. Make all the homeless people have a house.

| **Friday 10<sup>th</sup> June.** One round of make-up games due to cancellation throughout term. (First wash out only) |

**Note:** June 17<sup>th</sup> has been allocated as District Finals, at Watsonia North P.S. Back up finals day Wednesday 22<sup>nd</sup> June, if needed.
Hello wonderful WHPS community and welcome back to Term 2. I hope you all enjoyed your holiday break and your children enjoyed sharing their library gift “Fair Dinkum Aussie Easter” with you.

As you know sharing books and literacy experiences with your children is a vital component to cognitive and literary development. Keep it going!

I will be sending home library news throughout the term to keep you all up to date with our exciting happenings. I would also love to hear from you with feedback on how your children are enjoying their time in their wonderful new library space.

April is Poetry month
This April marks the 20th anniversary of International Poetry Month, which was inaugurated by the Academy of American Poets in 1996. Over the years, International Poetry Month has become the largest literary celebration in the world with schools, publishers, libraries, booksellers, and poets celebrating poetry’s vital place in our culture.

In our Library we will celebrate Poetry Month by introducing all year levels to the wonderful world of poetry available to them and we will use activities that are linked to great Australian poems.

We also have our own PoeTree on the wall outside Prep C and all month students will be invited to either write their own poems or copy their favourite poems to place on the tree. Please feel free to send in your favourite poems for your children to put on the tree for you.

Celebrating our ANZAC’s
Next week we will be working with ANZAC Day stories and activities to celebrate the courage and sacrifice of the men and women that have served and continue to serve our country.

As a link to our community we are inviting children to bring in photos of family members or friends that have served in any of the armed forces and place them on our ANZAC display. Great care will be taken with your photos and we will return them to you safely after the ANZAC day holiday.

Please feel free to come past and see the display and perhaps read a one of the ANZAC books with your children.
Library News for Term 2

Chess Club returns in Term 2

We are pleased to advise Chess Club will re-commence next Wednesday 20th April and run for 10 weeks at lunchtimes in the Library.
To secure your child a place this term please return your permission slip and payment to the office as soon as possible as numbers are limited.

Chess is one of the most powerful educational tools available to strengthen a child’s mind. Most 6-7 year olds can follow the basic rules and some children as young as 4 or 5 can play.
Whatever a child’s age, chess can enhance concentration, patience, and perseverance, as well as develop creativity, intuition, and memory. Most importantly, children can develop the ability to analyse and deduce from a set of general principles, to make tough decisions and to solve problems flexibly. We encourage students to come along and delve further into the world of chess and make some great new friends in the process.

Overdue and lost books

The best way to get the most out of their library is for your children to return their books, or re-borrow them if they would like a little longer to enjoy them.
Unfortunately we are unable to let your children borrow if they have overdue books and we ask you to please assist your children in returning their books before they become overdue.

Victorian Premiers’ Reading Challenge

The Victorian Premiers’ Reading Challenge is now open and Watsonia Heights Primary School is excited to be participating.

The Challenge is open to all Victorian children from birth to 16 years in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by the closing date of the challenge.

Children from Prep to Year 2 are encouraged to read or ‘experience’ 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.
If you would like your child to participate, please return the attached privacy and consent form.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and can choose to have their name included on the online Honour Roll.

For more information about the Victorian Premiers’ Reading Challenge and to view the booklists, visit: www.education.vic.gov.au/prc

Volunteering in the Library

Please email me on radcliffe.kathyne.k@edumail.vic.gov.au if you are able to assist at any time in the Library and I am grateful for any time you are able to lend a hand.
Celebrating Australia’s Literacy Ambassadors

This term our library will celebrate one of Australia’s great literacy ambassadors with a display of the complete works of Freya Blackwood.

Freya Blackwood is an award-winning illustrator in the international world of children’s books. She was born in Edinburgh, Scotland while her parents were touring overseas and grew up in Orange in NSW, Australia. Freya was raised in a household filled with colours, shapes, textures and all things visual, (her mother was a painter and jeweller and her father an architect). Having spent many years living in Wellington, New Zealand, Freya now lives in Orange with her little girl Ivy.

In 2002 Freya started illustrating picture books. She loves creating characters, giving them emotions and their own small world to live in. Freya also enjoys the designing and problem solving involved in the creation of a picture book.

Freya’s Illustrations for Two Summers won The Children’s Book Council of Australia (CBCA) Crichton Award 2004 for new talent in children’s book illustration, and the book was shortlisted for the Picture Book of the Year Award in the Children’s Book Council of Australia 2004 awards. Amy & Louis (written by Libby Gleeson) won the 2007 CBCA Early Childhood Book of the Year, and was published in Australia, US, Germany, France and Korea. Clancy and Millie and the Very Fine House followed in 2009 and was awarded Honour Book for the 2010 CBCA Early Childhood Book of the Year. In 2010 Freya was the recipient of the prestigious Kate Greenaway medal for Harry and Hopper.

Indicating her talent and dedication to her art, Freya has gone on to illustrate Maudie and Bear (written by Jan Ormerod) which won the CBCA Early Childhood Book of the Year in 2011 and her book The Runaway Hug (written by Nick Bland) also won the CBCA Early Childhood Book of the Year 2012. Freya and Libby Gleeson also collaborated to produce a wonderful picture book for younger readers, Look, A Book! which was short-listed for the 2012 CBCA Picture Book of the Year.

Recently Freya has illustrated and published The Terrible Suitcase (written by Emma Allen), which has been short-listed for the CBCA Early Childhood Book of the Year 2013. The Treasure Box, written by Margaret Wild and released in February 2013, is a haunting and beautiful tale of the power of words; the importance of stories, and the resilience of the human spirit.

In 2015 Freya scooped the 2015 Children’s Book Council Awards (CBCA), with three of her short listed children’s books winning their categories. It’s the first time in the awards’ 69-year history that a single creator has been honoured three times in the same year.

Freya took out top honours in the Younger Readers category for her beautiful pencil and watercolour illustrations in The Cleo Stories: The Necklace and The Present, for her collaboration with long time friend Libby Gleeson.

In the Early Childhood category Freya took out top honours for her beautiful illustrations for Go to Sleep, Jessiel her second short listed collaboration with Gleeson.

Finally, Freya took out her third top honour for the highly coveted ‘Picture Book of the Year’ for her amazing illustrations in her touching collaboration with Irena Kobald, My Two Blankets.

We celebrate Freya Blackwood’s achievements and highly recommend her beautifully illustrated and purposeful books to all families.

You may also like to keep up to date with all of her projects by visiting her blog here freyablackwood.blogspot.com.au

I am excited about the term ahead and wanting to foster a love for reading with your children.

Be careful.....books can change your life! Have a great term and please pop in and visit whenever you can.

Kathryne Campara
Welcome to the annual Victorian Premiers’ Reading Challenge. Reading is an essential life skill for everyone and the Challenge encourages families to be actively involved in supporting children to read. The Challenge invites children and young people to read a set number of books and record their efforts online. It’s a great way to get them talking about reading with friends and family, and to push themselves to read as many books as they can. Join the Challenge today and discover new authors, get expert tips, book recommendations and more. Participation is free. To find out more about the Challenge and access the booklist visit: www.education.vic.gov.au/prc

Like us on Facebook to share tips, literary articles and recommended reads www.facebook.com/VicPRC

Privacy and Consent Form (Schools)

By signing this document, you agree to the TERMS and CONDITIONS outlined below. These include consent for your child to participate in the Victorian Premiers’ Reading Challenge and for their name to appear on a certificate of completion and for their name to appear in the online honour roll. Please note that the child’s name only will appear on the certificate and online Honour Roll with no other identifying factors. Participating schools appear as a separate list. Note: Students whose names do not appear on the online honour roll are still able to participate in the Challenge.

Child’s name: …………………………………………………………………………………………………………………………………………………

School or early childhood service: ……………………………………………………………………………………………………………………………

Year level/class: ……………………………… Yes ☐ No ☐ I consent to my child’s name appearing on the online Honour Roll

Certificate name (only if different from name above): ……………………………………………………………………………………………………………………………

Parent/guardian name (please print): …………………………………………………………………………………………………………………………………………………

Parent/guardian signature: ………………………………………………………………………………………………………………………………………Date: ……………………………………………………………………………………………………………………………

TERMS AND CONDITIONS

Definitions: Department refers to the Victorian Department of Education and Training, Person refers to the child/adult listed below in the consent declaration.

1) Privacy Protection
The Department takes its privacy obligations seriously and any personal information collected or used by the Department will be handled in accordance with the Privacy and Data Protection Act 2014 (Vic). This law sets out what we must do when the Department collects, uses, handles and destroys personal information. Personal information includes personal details such as an individual’s name and school that could be used to identify an individual.

2) Collection, use, disclosure and storage of personal information
If you provide your consent your school will collect and disclose your child’s first and last name, and the name of the school to the Department. The Department will then:

- Use the information to register your child and to generate an online account (through which school age children can record the books that they read);
- Publish your child’s name and year level on its online Honour Roll located at: www.education.vic.gov.au/prc at the completion of the Challenge with no other identifying factors such as school name.
- Give the name of your child to Finsbury Green Pty Ltd ABN 52 007 743 151 who will then disclose to a 3rd party for the purpose of printing Certificates of Achievement.

3) Accuracy, access to information and withdrawal of consent
The Department will endeavour to ensure that any personal information held about your child is up to date and accurate. You can access, correct and withdraw personal information held by the Department by written request in accordance with the Department’s Information Privacy Policy located at: http://www.education.vic.gov.au/Pages/privacypolicy.aspx

Consent may be withdrawn at any time by writing to the Department’s Privacy Unit on: privacy.enquiries@edumail.vic.gov.au.

If you have any questions about this form, or if you need more information, please contact the PRC Challenge Coordinator at the Department readingchallenge@edumail.vic.gov.au or (03) 9637 3624.
Do you have a wardrobe full of clothes but “nothing to wear?” We have a solution! Come and exchange them at the inaugural Watsonia Heights Primary School Clothes Swap - and grab a whole new winter wardrobe! It’s fun, social, ethical and affordable!

**When:** Thursday 26 May, 7.30-9.30pm
**Where:** The GP Room at Watsonia Heights Primary School
**Tickets are $15** and can be purchased at the office, with a limited number available on the night. Ticket price includes a glass of sparkling wine and nibbles. All proceeds go to helping our kids at Watsonia Heights Primary School. Please invite your friends or family along to spread the word!

**How does it work?** Bring up to 6 quality clothing items in clean condition to trade. Check in at the door where you will be given one token for each item. For each item you bring, you can take one item home. While we set up, you can have a glass of bubbles and mingle with other great women!

**Common questions:**
*Can I trade my old trakky daks for a new dress?* Umm, no. The clothes need to be ones you would be happy to pass on to a dear friend. Think “gently worn”. Oh, and no swimwear, underwear or polar fleece please!
*Can I trade accessories?* Yes. Good quality scarves are OK. Bags and shoes are OK too but must be new or near-new.
*What if I don’t find anything I want to take home?* You can take something as a gift for a friend, simply enjoy the extra cupboard space or consider yours a great donation to a great cause!

**Any questions?** Call/text Caroline Illingworth on 0417 037 595. If you can’t make it but would like to donate clothes, please let me know. We would love to see you there!!
OCCASIONAL CARE IS AVAILABLE IN MONTMORENCY

Montmorency Occasional Care Centre
Petrie Park Montmorency

Session times:
Wednesday 9am - 12.00pm
Friday 9am – 1.30pm

Occasional Care is:

- Flexible to provide short periods of care in a safe early childhood learning environment with opportunities to socialise and interact with other children
- Offered on a regular sessional basis, or as needs arise
- Available for children aged 3-5 years.

Please contact Susan or Lynne 9434 3131 to make an enquiry and/or booking.

Messy Church at Watsonia Uniting Church

Host an exchange student this July and show off your backyard!

Volunteer to host an overseas exchange student this July and open a world of new experiences for your family. WEP overseas exchange students are wonderful role models for young Australians. The personal rewards and friendships that come from hosting often endure for generations.

Three-time host mum, Di, says, "Hosting has made our children more patient and understanding in their personal relationships. It has opened up their world and inspired them! Being a volunteer host family has brought us closer together and I think it may have something to do with our overall happiness and wholeness as a family!"

All exchange students undergo a rigorous application process. Students attend school full-time, are fully insured and have their own spending money to cover personal expenses.

If you're interested in finding out more, please contact us as soon as possible. To request an information pack, head to our website, www.wep.org.au, email info@wep.org.au or call 1300 884 733 to speak to our friendly hosting team!

2016 Nillumbik Shire – Community Group of the Year

The Eltham Community Craft and Produce Market is and has been a place where the local people can come and enjoy a community atmosphere, eat some tasty food, take home a gift, buy some fresh fruit and veg, listen to good music or find special artistic ornaments or creative craft work.

There are stalls ranging from food, to sculpture and local artists. It is one of only just a small handful of craft markets in Australia where the goods are produced solely by the stallholder. Supporting Australian Made products.

Our next market is on the 17th April 8.30am to 1.30pm.
Come down and support the local market that gives back to the local community.
Is your Grade 6 child a high achiever?

Greensborough College offers a High Achievers program which brings together like-minded, high achieving students. A program designed to meet the needs of your child and ensure they will reach their full potential.

High Achiever Information Session during EXPLORE
Wednesday 27th April.
For more information and a registration form contact us on 9433 2666.
There is no cost to sit the test.

Student Scholarships available at Year 7 2017
Academic, Sport, Music, Leadership and Citizenship.

Enquiries: Chrissy Collins Principal 9433 2666
