Hello and welcome to the latest edition of the linkletter. Our term is now in full swing with students enjoying many learning opportunities.

Last week you will have received newsletters from each of our year levels that outlined the term ahead. This included the multiple foci for our inquiry units of study. These units form the basis for our integrated approach to student learning throughout the term. Staff spend many hours developing a co-ordinated curriculum that centres around a holistic focus.

You will have also received a term overview from our specialist team including art, science, music, Mandarin, health and physical education.

We have had lots of great things happening in and around our great school recently including: Library club, Chess Club, Junior School Council, School Football team playing in the finals, Smiling Minds group, Lawn Bowls program, P-2 Music going strong, Science show incursions, Concert practice, Social skills group and Movie Animation club! Ask your children about these wonderful programs!!

Curriculum Day
A reminder to everyone that we have a scheduled curriculum day on Tuesday 16th August and students will not be required at school that day.

Student Lead Conferences
Well done to all the students for their great work in sharing their learning journey with parents and teachers. Thanks also to the staff for their hard work and commitment in differentiating the conferences for each child. The established learning goals will now provide a focus for all students to work toward over their next stage of learning.

School Concert
Preparations are in full swing and students are enjoying their practice sessions. This promises to be a great community event and the chance for our students to showcase their performing arts skills. The concert is scheduled for August 4th to be held at Yarra Valley Grammar School in Ringwood.

Rehearsal - During the day on August 4th all students will be travelling by bus to the venue for a final practice. Please ensure that you have returned your permission slips allowing students to travel.

Concert Night - A reminder that students are required to be at the venue at 6.45pm for a 7.30pm show! Parents are able to enter the theatre at 7pm.

Raffle – Please be reminded to return your raffle tickets and go in the running to win one of 3 iPad Minis!!

DVD’s – Don’t forget to return your DVD order form to secure your long lasting memoir of this night!

A ‘SPECIAL’ week in the library!!
Wow!! What a great week it was last week in the library. I had the pleasure of sitting in on most of the special visitor sessions that occurred throughout the week. There was a great buzz of excitement amongst the students as they prepared for their special time to be shared in our great library. This was a wonderful idea generated by our literacy team and supported so wonderfully by all staff and facilitated by our librarian Kathryne.
It was such a lovely experience to meet and chat with some of our grandparents and special people including aunts, uncles, neighbours, family friends etc. Thank-you to everyone whom participated and took the time to come and share in a rich literacy experience with our students. These moments are memorable for all involved and the relationships we form with family and friends are greatly enhanced by sharing a love of literacy. When reading to and with children, you have the opportunity of building skill, knowledge and interpersonal connections with the text, with the world around us and also the interpersonal aspects of connecting with characters.

To further embed this experience we are inviting our special people back to visit us again in Book week which is 22nd – 26th August. We hope you able to come back in and share more time with us at school. Additionally we will be holding our Annual Book Week dress up day on Wednesday 24th August. This will be an opportunity for students (and staff) to have some fun and dress up as a favourite book character!!!

Prep Play Date
As a compliment to our Prep transition program our 2017 Preps again enjoyed a play date last week. This visit was to explore our wonderful art room space and meet some more of our great staff! Our next Play date is scheduled for Friday 19th August from 4-5pm.

2017 Preps – please enrol now!
If you haven’t enroled your Prep child for next year, NOW is the time to do so!! Please contact the office to obtain an enrolment form.

Parent Opinion Survey
This week a random sample of parents received the 2016 Parent Opinion Survey. Every year our school requests a sample of parents to complete this survey which is developed by the Department of Education and Training. We use the information to support future school planning and improvement. We offer many great learning opportunities to our students and this survey also provides parents a chance to acknowledge the efforts and achievements of our children and indeed, the school. Thank-you to those parents whom were selected for your prompt responses. If you received a survey but are yet to return it please do so asap so that your views and opinions can be received. Please note these surveys are strictly anonymous and are processed by an external company whom provide statistical analysis back to the school.
Similarly, if any parents have any feedback, opinion or ideas; I’d love to hear them. Please contact me directly at the school or email me at: watsonia.heights.ps@edumail.vic.gov.au or kent.michael.a@edumail.vic.gov.au

Staff Carpark
Parents are asked not to park in the staff carpark. This is still an issue that must be avoided. We are also having some problems with congestion in and around the school. Unfortunately we don’t have great parking facilities however, this can be improved through everyone’s awareness, consideration and patience. I have been informed that the council will be active in issuing infringement notices in coming weeks.
On a similar topic, thank-you to everyone for reverse parking in the visitors carpark.

Athletics this term!
Our Year 3-6 students will this term be focussing on athletics. The students will spend time learning and practising the skills of the differing track and field events. These sessions will occur each Friday morning and will serve as a great build up to our House Athletics sports which are to be held on Tuesday 9th August at Willinda Park. If you are able to help out on this day we would appreciate the support.

Chocolate drive
Thank-you for supporting our chocolate drive that has now concluded. If you are yet to return your unwanted chocolates/money please do so asap.

Special Lunch Order
Please note that we have a special food day coming up on Wednesday 10th August. A notice has been sent home regarding the ordering and payment process!!

OHSC - Baby Time
Congratulations Kathryn and Daniel Zwolak on the arrival of their first child, A BABY GIRL - IMOGEN LOUISE, born on 16 July 2016. It is wonderful to hear that everybody is doing well and we look forward to meeting her.
Nationally Consistent Collection of Data on School Students with Disability

Our school is participating in the Nationally Consistent Collection of Data on School Students with Disability (Data Collection). This Data Collection is taking place in government, Catholic and Independent schools across Australia, and will provide valuable information about supports required for a broad group of students. This will enable Australian and State governments to better target support and resources in schools. This in turn will help schools give students with disability the support they need. The Data Collection is not limited to students with diagnosed disabilities. It uses a very broad definition of disability, taken from the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, which describe a broad range of health and learning conditions for which schools are required to provide ‘reasonable adjustments’ to support students to participate on the same basis as other students. The Data Collection will take place during Term 3. No personal or identifying information about any student will be included, however, if you decide you do not wish information about your child to be included in the Data Collection, you can opt-out by signing and returning an opt-out consent form. More information about the Data Collection is available on the Department of Education and Early Childhood Development website or please contact Michael Kent on (03) 9435 4617 if you have any further questions.

School Injuries and Insurance

Parents and guardians are generally responsible for paying the cost of medical treatment for injured students, including any transport costs. Most medical costs will be refundable by Medicare. If you are a member of an ambulance or health insurance fund, you may also be able to claim transport or other expenses from the fund. The Department of Education and Training does not hold accident insurance for school students.

Is other insurance cover available?

Yes.
The Department is aware of two insurers, JUA Underwriting Agency Pty Ltd and Willis Australia Ltd, that provide accident insurance policies for students. These policies provide specific benefits for students who are injured in accidents for a reasonably low cost. Other insurers may also do so.

Montmorency Leadership Day

On Wednesday 31st August at 9:00am the Grade 5 students and the Year 6 students that will be attending Montmorency Secondary College next year have been invited to attend their Leadership Day. A bus will depart from school at 9:00am and will return to school at 3:00pm. Students will need to bring their own packed lunch however, the Montmorency Canteen will also be available should they wish to purchase a snack.

The Leadership Day is for students to gain experience in leadership groups and working in teams. Our future Montmorency year 7 students will attend some year 7 style classes and become familiar with the high school routine. This will be a great chance for the students to represent Watsonia Heights Primary School within the local community and to develop their leadership skills through their involvement with the leaders of Montmorency School. Students are expected to wear full school uniform.

Montmorency "Happy Days" Performance

The grade 5/6's are privileged to be invited again to Montmorency for their annual College Production on Wednesday 3rd August at 10:45am. The bus will depart school at 10:15am and will return to school at 1:30pm. Students will be back in time for a normal lunch break.

Science Fair

On Wednesday 17th August the Grade 5/6 students will take part in a Science Fair to help celebrate Science Week. Students will be presenting their own experiment for the entire school. Parents and Guardians are welcome to attend. The event will be held from 9:15 – 11am in the GP room. All students will be required to come and set up by 8:45am on the day. Students will need their poster, ingredients to show their experiment to the 8 classes viewing on the day and their iPads fully charged for their presentation. Cathy James

Wishing you a wonderful week

Michael
PATHS - Promoting Alternative Thinking Strategies

LINKING MANNERS at school and P.A.TH.S.

During the lessons on manners, students will not focus on learning specific manners. Instead, they will discuss important topics related to having good manners. In other words, the emphasis is to encourage students to think why they behave in the way that they do and to discuss the idea that the way that people act or behave can affect how other people feel towards them. Behaviours that are called “polite” are those behaviours that usually make other people feel comfortable. Similarly, behaviours that are labelled “rude” typically make other people feel uncomfortable.

Students will discuss:
- Why it’s important to be polite and show good manners.
- Different words and phrases that can be used when we are being polite.
- The difference between doing something “on purpose” versus “by accident”
- The difference between saying something and actually feeling it.
- The importance of tone of voice and body language when conveying a message.

PATHS lessons on manners will:
1. Help students to accept more personal responsibility for their behaviours
2. Help students to learn to attend to various types of clues when evaluating affect e.g. facial expressions, content of the communication
3. Teach the association between feelings and behaviours
4. Develop better perspective – talking skills.
5. All of these objectives will give students the skills to be seen as polite rather than rude.

At home parents can reinforce the messages taught in this program by:
1. Discussing with your student the types of behaviours that you consider to be polite and the types of behaviours that you consider to be rude.
2. Tell your student why you think it’s important for him/her to show polite behaviours.
3. Praise your student when you see him/her showing polite behaviours at home and tell him/her how that made you feel.
4. If your student shows rude behaviour at home, explain how that made you feel and ask him/her if he/she can think of a more polite way of doing things.
5. When your student says something “polite”, point out how the sound of his/her voice and how his/her body language came across to you. That is, did the voice and body communicate the same message as the words that were used or did he/she communicate something different.

When applicable situations occur, talk to the student about whether it happened because someone meant them to (on purpose) or whether they happened “by accident”. Point out the connection between how your student feels and the reasoning about why it happened. Developing a student’s value development is the role of families and schools. The P.A.TH.S. program being taught at our school gives staff, students and families the opportunity to discuss and practice the conventions acceptable in society. Teaching these conventions allows students to move towards an understanding of the role these conventions play in building mutual respect for each other and a community that has mutual respect for each other.
WHPS 2016 Important Calendar Dates

July 2016
Friday 22nd – Concert tickets available to order

August 2016
Thursday 4th – School Concert
Tuesday 9th – House Athletics sports @ Willinda Park
Wednesday 10th – Special Food Day
Thursday 11th – Family Maths Olympics Night 6:30-7:30pm
Tuesday 16th – Curriculum Day – No school
Wednesday 17th – Science Fair 9:15-11am
Friday 19th – Prep Play Date 4-5pm
Monday 22nd – School Dental Follow-up visit
Wednesday 24th – Book Week DRESS UP DAY

September 2016
Friday 16th – Last day of Term 3!! SCHOOL CONCLUDES @ 1:30pm

October 2016
Wednesday 12th – 14th – Gr3/4 School Camp
Friday 21st – WHPS Walkathon
Monday 31st – Curriculum Day – No school

November 2016
Tuesday 1st – Melbourne Cup – No school
Wednesday 9th – Prep Information Evening @ 7pm
Saturday 19th – WHPS Fete
Wednesday 30th – Prep Orientation @ 9:30-10:45am

December 2016
Thursday 8th – Prep Orientation @ 9:30-10:45am
Tuesday 6th – 9th – Gr 5/6 School Camp
Monday 12th – 13th – Gr 2 School Camp
Thursday 15th – Gr 6 Graduation
Friday 16th – Prep Orientation @ 9:30-10:45am
Monday 19th – Gr 6 Fun Day
Tuesday 20th – Final day for the year – SCHOOL CONCLUDES @ 1:30pm

STUDENT BANKING
Every Tuesday.
To open a student bank acct. please collect a pack from the office.

UNIFORM SHOP

Open Tuesday MORNING 8.30-9.00am
and Thursday AFTERNOON 3–3.45pm.
Order forms need to be completed for stock take purposes, which is available from the office stand and the schools website.
You may also email your order request to Leah or Juanita at watsonia.heights.ps@edumail.vic.gov.au

Dear Parent,

The school House Athletics will be held at Willinda Park on Tuesday 9th August. A back up day is scheduled for the 10th in the event of wet weather. The children will be walking down to Willinda Park under teacher supervision. We will be departing school at 9:05am for a 9:30am arrival and returning to school by 3:30pm. The children will need to bring their bag with a snack, lunch, water, a coat and something to sit on. The children will be expected to compete in their house colours. Suitable shoes for running are highly recommended. In the event that your child is unable to compete due to injury, please advise the school in writing. If any parents are able to help out on the day, it would be greatly appreciated. Please make contact with Mr Ryan. All parents are most welcome!

First Aid Officers will be available on the day. As with other walking excursions, Watsonia Heights PS staff are authorised where it is impracticable to communicate with you, to arrange for your child to receive such medical or surgical treatment as may be deemed necessary. Please contact your teacher or Mr Ryan if you have any questions.

Tony Ryan – Health, PE & Sport Co-ordinator
ryan.anthony.j@edumail.vic.gov.au
1/2 Concert Rehearsals

The grade 1/2 classes have been busy practising all week for our annual school concert ‘The Age of Invention’, which will be held on Thursday the 4th of August at Yarra Valley Grammar School. The excitement builds with all of us keen to surprise you with our talents!
**Special Persons Week**

We would like to thank all our Special People for giving up your time to come and share our beautiful library space with us and we were overjoyed by the amount of guests that were able to attend.

The students were all so excited to have their special guests there and you will see from the photos just how much fun we had.

It was wonderful to hear all the stories of the love of reading that is shared between your families and also to see and hear about the books that hold so much meaning for you all.

We look forward to seeing you for your return visit during Book Week in August and we hope you are all able to join us again.

---

**Chess Club**

Congratulations to our Term 2 Chess Club award winners:

1st Flynn
2nd Liam
3rd Matthew
Most Improved – Erica

We are all having a great time each Wednesday in Chess Club with our fantastic teacher Nick and no one is ever late in case they miss the details on that killer chess move or play.

We would love to hear your feed back from home of how your little Chess superstars are enjoying the lessons and tournament games, and how they are going with that new knowledge at home against you.

---

**Lego Club**

To say we love Lego Club is a complete understatement! To see how excited the children are to show us their master builds from home and tell us the details of the difficulty it took to make them.
Book Week Dress Up Day – Who will you dress up as?
The countdown has begun to the best week on the annual Library calendar.....Book Week!!! There is only 4 weeks to get your amazing costumes ready with Book Week Dress-Up Day on Wednesday 24th August. So don’t wait a minute longer and I can’t wait to see how amazing you all look. Please see the flyer in your child’s bag for more information about the parade times on the day.

Donate a Book to our Library during Book Week!!!
During Book Week there will be a collection of new fiction and non-fiction books on display in the Library. These books have been carefully selected to either update titles from our existing collection or, because they are high quality latest releases. Families who would like to donate a book to the school are invited to select a title from the display (the school will invoice the parent for the amount which will be clearly displayed on the cover of the book). In return the school will create a book plate with the family or child’s name that will be fixed to the inside cover of the book. The books on offer are from a local supplier and the purchase price for parents is the lowest price obtained for the school. This is a great way to extend the collection of titles in our catalogue and we hope each family will support this initiative. If you are unable to attend and would like to donate a book, please contact the office and lodge an expression of interest. A list of the books that will be displayed will then be emailed out to you once it is finalised. Donations are open to all members of the community including your extended families and friends alike. So please pass on the details of anyone that is interested in receiving the list of books available for donation.

Indigenous Literacy Day – 7th September 2016
Indigenous Literacy Day (ILD) will be celebrated this year on Wednesday 7th September 2016. At WHPS we will celebrate ILD by studying great indigenous authors and by collecting a gold coin donation for the foundation.

What is Indigenous Literacy Day?
Indigenous Literacy Day is the most important fundraising and advocacy day on the Indigenous Literacy Foundation calendar, with events and fundraisers held all across Australia. On ILD book sellers, libraries, schools, kindergartens and government bodies of all levels spread the word about improving literacy levels and opportunities for Indigenous children living in some of the most remote and isolated parts of our country. Funds raised on Indigenous Literacy Day buy books and resources for these communities.

What happens on Indigenous Literacy Day?
Publishers make donations and help promote the year-round work of our Foundation. Bookstores hold readings, book launches and/or other literary events. Some donate part of their day’s earnings, and customers make donations in the designated boxes on their counters. Schools across Australia hold the Great Book Swap fundraiser, readathons and other fundraising or classroom activities. Businesses, clubs and organisations might also host a Great Book Swap or another fundraiser. Libraries hold themed events, and collect donations.

What can you do to help on Indigenous Literacy Day?
- Buy a book from a participating bookseller
- Make a donation online or at your nearest bookshop
- Help organise a fundraising event
- Advocate for us on social media

Please take the time to visit www.indigenousliteracyfoundation.org.au/ to find out more about this wonderful foundation and how you can help.

Magazine Corner - Can you help!!
Do you have unwanted magazines that would be of suitable content for our magazine corner? We are seeking donations of magazines from all types of genres such as Computing, Gaming, Cooking, Craft, Sport, Automotive, Scrap Booking, Travel and much, much more. All donations will be greatly appreciated and will help add to the great Library resources for our students. Please send magazines down to Library desk or returns chute and we thank you in advance for your generosity.
It is coming up to August very quickly with lots of activities planned for Science Week beginning 13th August. The Preps will be able to enjoy a fun and educational Chemistry Show put on by the Company Scientwists on Thursday 11th.

The Grade 5 / 6's are planning for their Science Fair on Wed 17th and I am putting together a list of tricky scientific questions for the annual staff Science Quiz. Mr Greet won last year and will no doubt be studying up to hold on to his trophy!

Congratulations to Ruby's team in 3R for making the fastest spinning Anemometer this week - a very impressive 169 km/ph – well done!

Cathy James
Family Maths Olympics Night

What: We are holding a family maths night based around the Olympics. There will be an Olympic event in each classroom for students, their 'Potathlete' and their families to participate in.

Where: WHPS Classrooms and finishing in the GP room.

When: Thursday 11th of August.

Time: 6.30-7.30pm.

Please remember to bring a potato to school next week to create your very own Potathlete!
AFL Tickets

As part of our association with the Collingwood Footy Club during the AFL Football clinics held last term, the school has received 25 complimentary tickets to distribute to staff, students and families for the Rnd 19 match against WCE on Sat July 30. It is a 4.35pm game at the MCG.

If you are interested in receiving some of these tickets please email Mr Ryan with the number of tickets requested. Tickets will be allocated on a first come first served basis and sent home with students.

Our Years 3-6 House Athletics day has been scheduled for Tuesday the 9th of August at Willinda Park Athletics track. Students will walk to and from the venue. Parents are invited to attend and support students on this day. The school would also appreciate and welcome parents that may be able to assist with the events on the day. Volunteer activities might include things such as assisting teachers at events, recording of results or walking supervision. Further details regarding this event will follow in the coming weeks.

In preparation for this day students will use our 3-6 Sport time on a Friday morning to practice and hone our skills over the coming weeks. Parent help during these sessions would also be beneficial.

If you think you might be in a position to volunteer your time either on the day of the Athletics Sports or on the Friday mornings before, please contact Mr Ryan on the email address below.

The wait is over!!

Kathryn has had a lovely baby GIRL! IMOGEN LOUISE

Mum and baby are doing very well. Baby Imogen was born on the 16/7/16 and she is already nearly 2 weeks old.

Our theme for this week is about nutrition and children who have had a delightful experience about healthy eating and nutritious foods, making their own place mats and food pyramid and serving and ordering in our restaurant.

We’re here to make before and after school care visits the best experience possible – for you and your child.

If you have any questions about the program – please feel free to drop by, meet the team and see what happens in after school care first hand.

We look forward to seeing you soon.

Camp Australia Team.

Filiz, Debbie and Vicki

Did you know that mental ill-health is the biggest health issue for young Australians today?

Do you want to some practical tips on how to identify when your child might need support with their mental health and wellbeing?

SAFEMinds At Home parent information sessions can help you with practical tips and resources to support your child through tough times.

**SAFEMinds Comes to Greensborough!**

headspace Greensborough will be presenting a FREE session for parents to learn about early detection and support for young people through the SAFEMinds mental health training currently being introduced for schools and families across Victoria.

**Time:** 6:45pm for a 7pm start – 9pm.

**Date:** Wednesday August 10th

**Venue:** headspace Greensborough

Level 1, 78 Main Street Greensborough

To register, contact headspace Greensborough on 9433 7200.

Meet members of the headspace Greensborough team and learn more about the supports and services available at headspace Greensborough.

A panel of local services will be available to answer your questions about local support services for young people and families.

SAFEMinds combines a range of targeted training and a comprehensive toolkit of resources, to support whole school communities apply the NIP it in the bud! early intervention approach.
