

WATSONIA HEIGHTS PRIMARY SCHOOL

Strive for the Heights

2022 Prep Transition

Transition in Primary School is an exciting time for you and your child. At Watsonia Heights we have developed a holistic and comprehensive approach to support your child through this time.

Should you have any questions at any time please contact me directly, as the more informed you are the more comfortable the process will be for yourself and most importantly your child!

Parents are encouraged to enrol ASAP to ensure you maintain your place for 2022.

2022 Prep Information Evening

For all interested parents we are conducting an Information Evening on **Wednesday 24th March @ 7pm**. This is for prospective parents to hear more about the school and its programs. Everyone is welcome.

Play Dates

During terms 2, 3 and 4 we will be conducting play dates for any interested kinder children. These are all after school from 4-5pm and everyone is welcome. Please see the attached form to register your participation. Please note that all participating children/families must send an RSVP.

Kinder

WHPS conduct activity-based learning opportunities with local Kinders during term 2 of 2020 (Kinders will notify parents of these activities). Children and parents will come to WHPS to participate in an interactive and engaging morning of fun learning activities. This is a great opportunity for children to simply have fun at school. The take home message for the children is that 'School is FUN!'

During the latter part of this year, Kinder teachers will develop 'Transition statements' that will require some input from parents. These are then sent to schools later in 2021.

At a similar time, later in the year we will visit with each feeder Kindergarten. This will provide our Prep Teachers with the opportunity of observing your child in their kinder environment and also provide a chance to discuss your child's learning progress with the Kindergarten teacher. This is an important step to building a holistic picture of your child as a learner. This aids the school in developing individual learning plans that will compliment and enhance existing skills. It also helps us in developing a program that maximises on individual learning styles to ensure a positive and effective transition into school life.

Prep Information Evening

Enrolled Prep parents are welcomed to attend a comprehensive Information Evening where the finer details of the Prep Year will be outlined and questions answered. This will take place on **Wednesday 17th November @ 7pm.**

Prep Orientation Mornings

Enrolled Prep students are invited and encouraged to attend the formal orientation mornings. Parents are welcomed to stay but encouraged to work towards leaving their children during these visits. This will help to build confidence in your children as they prepare for school. We have scheduled these visits on differing days to ensure maximum participation around other family commitments.

Wednesday 24th November 2020 @ 9.30-10.45am

Thursday 2nd December 2020 @ 9.30-11.30am

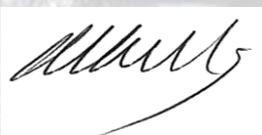

Friday 10th December 2020 @ 9.30-12pm

This is an exciting time, as you prepare yourselves and your children for life at school. It is also a very exciting time for us at the school as we prepare for our 2022 Prep Students.

Hopefully this time is proving to be a positive experience for your family. Along the way, should you have any questions, concerns or issues, please do not hesitate to contact me via the school office. Alternatively, please keep a record of your questions and bring them along to the Parent Information Evening.

I look forward to meeting with you and discussing your child's learning needs in greater depth and I look forward to working with you.

Warm regards,

Michael Kent

Principal
