Parent & Carer Involvement at Our School:

At our school, we greatly value the strong partnerships we share with our parents and carers. Our volunteers that assist in the canteen, support excursions and events, help with reading programs, assist the Buildings and Grounds team with working bees, assist with fundraising, or contribute through School Council and Community Links makes a meaningful difference to our students' learning and wellbeing.

Volunteers play a vital role in primary schools. Your time, skills and commitment enrich our programs, strengthen our community, and help create the supportive environment that allows every child to thrive. We sincerely thank all of our volunteers for their generosity and encourage any parents or carers who are interested in becoming involved to contact the school office for more information. Together, we build a strong and connected school community. To ensure the safety and wellbeing of all students, we kindly remind families that any volunteer working with children at school must hold a current and valid Working With Children Check (WWCC) and provide this to the school office prior to volunteering. This requirement helps us maintain a safe and secure environment for everyone. Below are some more details about areas where our community can provide support to our school.

Community Links:

Our Community Links group is our parent and friends group within the school. They work together to coordinate a range of fundraising and social activities for our school community. A practical example of what this support can look like can be found with our upcoming Colour Run event at the start of next term. Our school desperately needs a team of parents/carers to coordinate the distribution of prizes to students across the school following the event. If you are in a position to support with this event please reach out to Mr Ryan or Mr Hunt.

Canteen:

Our school canteen operates as a service to our community on Monday's, Wednesday's and Friday's. We attempt to keep associated pricing as affordable as possible for our families. The time and support that our volunteers provide to our canteen manager Cara to operate the canteen is vital to it's viability. If you think you could support in the canteen from time to time I'd encourage you to reach out to Cara to share your availability.

Cara.Osborne@education.vic.gov.au

School Council:

In our last school newsletter we distributed information about the nomination process for school council. I thank and congratulate Peta Beattie, Zendegi Leonard, Beth Cairns, Louise Lines, Mel Murphy Edwards and Alyssa O'Connell for their nomination and election on to our school council in the parent category.

We also shared that there were 3 DET employee category positions. I'd like to thank and congratulate Emma MacDonald, Fiona McLean and Cherrie McIntosh for their nomination and election on to our school council.

Parent/Carer Reading Program:

Our students benefit greatly from opportunities to read aloud with an adult and further develop their reading fluency and expression. We appreciate those members of our community that are able to give up some time across the time to provide this service to our students. Mrs Lainie Barber coordinates this program within our school and can support our volunteers by running an information session to provide advice and support to our volunteers. If you are interested please reach out to Lainie.

Lainie.Barber@education.vic.gov.au

Buildings and Grounds:

Our school regularly runs working bees to keep our buildings and grounds looking in good condition. This can include a combination of larger school-wide working bees and at other times just a small working party of volunteers to complete some maintenance tasks after school once a term. If this assistance is something that you would be interested in helping with, please reach out to Stuart Hunt.

stuart.hunt@education.vic.gov.au

Camps and Excursions:

We are regularly looking for additional parent/carers volunteer support for school events such as sporting carnivals, camps and excursions. If you have interest in supporting any sporting event or camp, you can register your interest with Miss Massa. For excursions your classroom teacher would be the first point of contact.

Massa.Macellari@education.vic.gov.au

Again we thank any members of our community that support any of the essential functions of our school listed above.

Say Cheese!

Our school photo days are approaching with our class photo day coming up on Wednesday the 25th March and sibling and graduation photos taken the next day Thursday the 27th March. A flyer will be coming home in student bags in the coming days with further important information and individualised student codes associated with our photos. It's also a timely reminder about the importance of our students being in their full school uniform not just on photo day but for each day of school.

Promotional Photos:

Speaking of photos, as was shared in recent newsletters our school has had some promotional photography completed yesterday. This will be used to update some of our signage around the school, updating our school website images and will be used in the promotion of other events such as information nights or school programs. The school used the promotional photo permission information shared by our families this term to determine which students could be included in this photography. As an additional measure when the school identifies which photos it hopes to use in these promotional activities, we will reach out to parents/carers before publishing.

NAPLAN:

A reminder that the NAPLAN Assessment window is approaching between the 11th-23rd March. Students in Year 3 and Year 5 sit these assessments in a number of subject areas, which provides a snapshot of their performance on the day of the assessment.

Mr Hunt sent out a Compass post earlier this week with additional information about the testing program.

Child Safe Standards:

Please be aware of our commitment to the Child Safe Standards.

CHILD SAFE STANDARD - STATEMENT OF COMMITMENT TO CHILD SAFETY

Watsonia Heights Primary School is committed to safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making.

Watsonia Heights Primary School has zero tolerance for child abuse.

WHPS is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability.

Every person involved in Watsonia Heights Primary School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

In its planning, decision-making and operations Watsonia Heights Primary School will:

1. Take a preventative, proactive and participatory approach to child safety
2. Value and empower children to participate in decisions which affect their lives
3. Foster a culture of openness that supports all persons to safely disclose risks of harm to children
4. Respect diversity in cultures and child rearing practices while keeping child safety paramount
5. Provide written guidance on appropriate conduct and behaviour towards children
6. Engage only the most suitable people to work with children and have high quality staff and volunteer supervision and professional development
7. Ensure children know who to talk with if they are worried or are feeling unsafe, and that they are comfortable and encouraged to raise such issues
8. Report suspected abuse, neglect or mistreatment promptly to the appropriate authorities
9. Share information appropriately and lawfully with other organisations where the safety and wellbeing of children is at risk
10. Value the input of and communicate regularly with families and carers

Support Programs:

We are excited to have commenced many of our additional programs across the school. This includes some of our lunchtime clubs, 2026 Junior School Council, support and extension programs.

Some of these groups provide additional programs for our students to enhance their social, emotional and academic capacity. We have groups that focus on many areas including:

- · Literacy support via tiered intervention
- · Support and extension groups for numeracy and literacy
- · Social and emotional supports
- · Enjoyment based lunchtime clubs and groups
- · Student leadership meetings

We are proud to be able to offer a diverse and differentiated approach to catering for the individual needs of our amazing students. Our classroom teachers do a wonderful job at providing an engaging, challenging, enjoyable and targeted learning program each and every day.

I hope everyone has a wonderful weekend.

ANNIE

The start of Grade 4 is amazing. All of the teachers are amazing so I wasn't scared. We've learnt so much already!

ALMA

Grade 4 has been very amazing, I'm awestruck by how nice the teachers are but sometimes I get a bit mad at them. There are some challenges but it's very good because we want to learn. Everyday our teacher comes to work, tries their best to teach us new things and because that's how we grow up.

GRADE 4

JOSH

At this school we just learnt the word 'engrossed' and 'devised'. This is a great school. There is a great playground and we follow the rule STRIVE. So now you know that this is a great school.

CARTER

I have had a great start of Grade 4! I am so excited for the year.

ETHAN

We are currently learning the doubling rule, like the word beginning. We are also reading Kensuke's Kingdom; it's not really a kingdom. But it is still very good to read, well, listen. In maths, we are learning to do fractions, which is not that hard for me. In this class, we have cool chants like holy moly guacamole! In art, we are making landscapes.

DISTRICT SWIMMING

On Thursday, 19th February, 30 amazing 3-6 students represented WHPS at the District Swimming Carnival at Watermarc. The students represented the school proudly and tried their best efforts in all strokes. They cheered and supported one another, which resulted in an amazing result of coming 2nd OVERALL! What an unreal effort by all. We have some unreal swimmers going onto the next level of Division on 12th March @ Oak Park. If your child has made it to Division, you will receive a compass event with all information included. We are SO PROUD of all the efforts today!

SPECTATORS CODE OF CONDUCT

- a) Demonstrate appropriate social behavior by not using foul language, harassing players, coaches or officials
- b) Students play organised sport for enjoyment. They are not playing for the entertainment of spectators only, nor are they miniature professionals.
- c) Don't let your behavior detract from their enjoyment
- d) Applaud good performance and efforts by your team AND the opponents. Congratulate both teams upon their performance regardless of the game's outcome.
- e) Respect the official's decision. If there is a disagreement, follow the appropriate procedure of the sport in order to question the decision and teach the children to do likewise.
- f) Never ridicule a player for making a mistake during a competition. Positive comments are motivating.
- g) Condemn the use of violence in any form, be it by spectators, coaches, officials or players.
- h) Show respect for your team's opponents. Without them there would be no game.
- i) Encourage players to play according to the rules and the officials' decisions.
- j) Behave in a manner that respects the rights of others regardless of mediums of communication used eg digital mediums such as twitter, facebook, email and texts.

PLAYERS CODE OF CONDUCT

- a) Play for enjoyment.
- b) Play by the rules.
- c) Never argue with an official. If you disagree, have your captain or coach approach the official during a break or after the game.
- d) Don't be induced into 'throwing' a game for the benefit of another team or individual
- e) Control your temper. Verbal abuse of officials or other players, deliberately fouling or provoking an opponent and throwing equipment is not acceptable or permitted in any sport.
- f) Work equally hard for yourself and your team.
- g) Treat all players as you would like to be treated. Do not interfere with, bully, or take unfair advantage of another player.
- h) Co-operate with your coach, team-mates and opponents.
- i) Behave in a manner that respects the rights of others regardless of mediums of communication used eg digital mediums such as twitter, facebook, email and texts.

YOUR WELLBEING SPOT

At WHPS, we are proud to offer an amazing range of clubs that provide students with opportunities to explore their interests, build new skills and connect with peers beyond the classroom. These clubs offer safe, supportive spaces where children can strengthen friendships, practise teamwork and develop confidence while engaging in activities they genuinely enjoy. We are incredibly fortunate to be able to provide these enriching experiences for our students, and we encourage families to talk with their child/ren about the clubs available.

Our Clubs will cover a range of Curriculum areas, including Art, Mandarin, Science, Wellbeing and offerings from our amazing Librarian, Kathryne. An announcement will be made to remind students of the clubs we have on offer and a timetable will be on display in your child's classroom.

FINANCIAL ASSISTANCE

INFORMATION FOR FAMILIES

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's financial circumstances and their outcomes.

CAMPS, SPORTS and EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school excursions, camps and sporting activities.

If you hold a valid means-tested concession card or support an out of home care student you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid directly to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is \$400 for all school students.

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.
