PURPOSE

To outline the processes that Watsonia Heights Primary School will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

SCOPE

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

DEFINITIONS

Child-connected work: work authorised by the school governing authority/provider of a school boarding services and performed by an adult in a school or school boarding premises environment while children are present or reasonably expected to be present.

Child-related work: As defined by the Worker Screening Act 2020 (Vic), child related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional direct contact with children that is incidental to the work.

Closely related family member: parent, carer, parent/carer's spouse or domestic partner, stepparent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.

Volunteer worker: A volunteer school worker is a person who voluntarily engages in school work or approved community work without payment or reward.

School work: School work means:

- Carrying out the functions of a school council
- Any activity carried out for the welfare of a school, by the school council, any parents' club or association or any other body organised to promote the welfare of the school
- Any activity carried out for the welfare of the school at the request of the principal or school council
- Providing assistance in the work of any school or kindergarten
- Attending meetings in relation to government schools convened by any organisation which receives government financial support

This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (ie indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

POLICY

Watsonia Heights Primary School is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers. Watsonia Heights Primary School recognises the valuable contribution that volunteers provide to our school community and the work that they do.

The procedures set out below are designed to ensure that Watsonia Heights Primary School's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

Becoming a volunteer

Calls for volunteers may appear in the school newsletter, compass or Facebook page. Members of our school community who would like to volunteer are encouraged to contact; the class representative, a member of the Community Links team, a class teacher, the Assistant Principal, the Principal or the school office.

Volunteers are asked to complete an application form at the office and provide a copy of their Working With Children card before starting.

COVID-19 vaccination information

Our school follows Department of Education Training policy with respect to the requirements relating to attendance on school sites and COVID-19 vaccinations. For further information refer to:

Suitability checks including Working with Children Checks

Working with students

Watsonia Heights Primary School values the many volunteers that assist in our classrooms, with reading, sports events, camps, excursions, other events and programs. To ensure that we are meeting our legal obligations under the *Working With Children Act 2005* (Vic) and the Child Safe Standards, Watsonia Heights Primary School is required to undertake suitability checks which may include a Working with Children (WWC) clearance and additional suitability checks such as proof of identity, work history involving children and/or reference checks.

Considering our legal obligations, and our commitment to ensuring that Watsonia Heights Primary School is a child safe environment, we will require volunteers to obtain a WWC Check and produce their valid card to an office member to copy for verification in the following circumstances:

- **Volunteers who are not parent/family members** of any student at the school are required to have a WWC Check if they are engaged in child-related work regardless of whether they are being supervised.
- **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is **not** participating, or does not ordinarily participate in, the activity.
- **Parent/family volunteers** who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not.
- **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not
- **Parent/community School Council members** sitting on School Council with student School Council members, regardless of whether their own child is a student member or not

In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

Non child-related work

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example volunteering out of school hours for gardening, maintenance, working bees, school council, participating in sub-committees of school council, fete coordination, other fundraising groups that meet in the evenings during which children will not be, or would not reasonably be expected to be, present.

Volunteers for this type of work are not required to have Working with Children or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, Watsonia Heights Primary School reserves the right to undertake suitability checks, including proof of identity, Working with Children Checks, at its discretion if considered necessary for any particular activities or circumstances.

School council members and volunteers on any sub-committee of school council will be asked to provide a valid WWC Check. Whilst we acknowledge that these volunteers will not be engaging in child-related work as part of their role, even when there is a student sitting on the school council, we believe that it is important that our volunteers who are involved in making important decisions about our school which will have an impact on students do have a valid WWC Check. In addition, Watsonia Heights Primary School may ask the council member to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications, proof of identity).

Training and induction

Under the Child Safe Standards volunteers must have an appropriate induction and training in child safety and wellbeing.

To support us to maintain a child safe environment, before engaging in any work where children are present or reasonable likely to be present, volunteers must familiarise themselves with the policies, procedures and code of conduct referred to in our Child Safety Induction Pack and ensure the actions and requirements in these documents are followed when volunteering for our school.

Depending on the nature and responsibilities of their role, Watsonia Height's Primary School may also require volunteers to complete additional child safety training.

Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our *Child Safety and Wellbeing Policy / Statement of Commitment to Child Safety*, our *Child Safety Code of Conduct* and our *Statement of Values and School Philosophy*. Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to Equal Opportunity and Anti-Discrimination, Sexual Harassment and Workplace Bullying.

The principal (or their nominee) will determine the level of school staff supervision required for volunteers, depending on the type of work being performed, and with a focus on ensuring the safety and wellbeing of students.

The principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Watsonia Heights Primary School.

Privacy and information-sharing

Volunteers must ensure that any student information they become aware of because of their volunteer work is managed sensitively and in accordance with the [Schools' Privacy Policy](#) and the Department's policy on [Privacy and Information Sharing](#).

Under these policies, student information can and should be shared with relevant school staff to:

- support the student's education, wellbeing and health;
- reduce the risk of reasonably foreseeable harm to the student, other students, staff or visitors;
- make reasonable adjustments to accommodate the student's disability; or
- provide a safe and secure workplace.
-

Volunteers must immediately report any child safety concerns that they become aware of to a member of staff to ensure appropriate action. There are some circumstances where volunteers may also be obliged to disclose information to authorities outside of the school such as to Victoria Police. For further information on child safety responding and reporting obligations refer to Child Safety Responding and Reporting Obligations Policy and Procedures.

Records management

While it is unlikely volunteers will be responsible for any school records during their volunteer work, any school records that volunteers are responsible for must be provided to the person in charge of the activity/event, to ensure they are managed in accordance with the Department's policy: [Records Management – Schools](#).

Compensation

Personal injury

Volunteer workers are covered by the Department of Education and Training's Workers Compensation Policy if they suffer personal injury in the course of engaging in school work.

Property damage

If a volunteer worker suffers damage to their property in the course of carrying out school work, the Minister (or delegate) may authorise such compensation as they consider reasonable in the circumstances. Claims of this nature should be directed to the principal who will direct them to the Department's Legal Division.

Public liability insurance

The Department of Education and Training's public liability insurance policy applies when a volunteer worker engaged in school work is legally liable for:

- a claim for bodily injury to a third party
- damage to or the destruction of a third party's property.

Suitability Check Flowchart for Schools

Is the visitor/volunteer likely to have any contact with children while performing their work duties?

YES

NO

What is the nature of the work/engagement?

Suitable identification and screening checks, if any, relevant to the role should be undertaken and risks identified.**

Child-related work
 Work that usually involves direct contact (including phone, written and online communication) with a child as part of work duties. (e.g. attendant care, school camps, excursions (including swimming), literacy and numeracy/classroom support, sporting/musical and other extra-curricular assistants and coaches, breakfast/lunch clubs and other student support activities, canteen assistant, Allied health/NDIS therapists, Departmental Staff who are working with children, SRI, Distance education)

Child connected work
 Work duties that only involve occasional direct or indirect contact with children that is incidental to the work. (e.g. fete/fundraising activities, tradespeople, working bee, parents and friends clubs.)

A Working with Children Check is legally required.
 Suitable identification checks relevant to the role should also be undertaken and risk identified**

The Person is exempt from a Working with Children Check due to higher level of screening for their profession.*
 (e.g. teachers, police officers)
 Suitable identification and screening checks relevant to the role should also be undertaken and risks identified**

Requiring a Working with Children Check is at the discretion of the school principal.
 Other suitability and identification checks, if any, relevant to the role should be undertaken and risks identified**

NOTE: A Working with Children check is recommended where the visitor/volunteer will regularly be present at the school and/or children can reasonably be expected to be present.

NOTE: Parents are legally exempt from the requirement to hold a WWC check when volunteering in an activity in which their child normally participates. In these cases requiring a WWC Check is at the discretion of the school – but it is recommended in most circumstances where the parent is regularly involved in the volunteer activity and working directly with children and/or the nature of the activity poses a higher risk, e.g. overnight camps, swimming, or activities involving close contact, etc.
